

SOCIAL AND PERSONAL

Thou Hast My Heart.

What I speak, my fair Chloe, and what I write shows
The difference there is betwixt nature and art;
I court others in verse, but I love thee in prose.
And they have my whimsies; but thou hast my heart.

The god of us verse-men—you know, child—the sun,
How after his journeys he sets up his rest,
If at morning o'er earth 'tis his fancy to run,
At night he reclines on his Thetis's breast.

So, when I am weary of wandering all day,
To thee, my delight, in the evening I come,
No matter what beauties I saw in my way,
They were but my visits, but thou art my home.

Then finish, dear child, this pastoral war,
And let us, like Iliac and Lydia agree,
For thou art a girl as much brighter than her
As he was a poet sublimer than me.

MATTHEW PRIOR.

Mrs. Allen in Richmond.

Mrs. William Allen, of New York, accompanied by Mr. Allen, will stop on her way to spend sometime at Hot Springs, Va., and will be at the Jefferson Hotel, this city, next Tuesday, Wednesday and Thursday.

Mrs. Allen, before her marriage, was Miss Minnie Anderson, of Savannah, Ga. She came to Richmond as a bride and, during the years that she and her husband lived here, they were great favorites in Richmond society. Since her residence in New York, she has become well known in the literary world.

Her friends and those of Mr. Allen here will be much pleased to have the opportunity of seeing them in Virginia again.

At Baltimore Show.

Among the many Virginians attracted to the Baltimore Horse Show, will be Miss Grace Radcliffe Day, of Smithfield, Va., who will be the guest of Mrs. Douglas Gordon for that occasion. This Horse Show opens on May 23d, and will be a brilliant event from a society point of view.

After the show, Miss Day will visit Mrs. Richard Evelyn Byrd, in Winchester, Va. During several winters spent in Washington, D. C., with her sister, Mrs. Thomas S. Martin, wife of United States Senator Martin, Miss Day has become very popular in Washington and Baltimore social circles, as well as in those of her native Virginia.

Miss Royall Returned.

Miss Page Aylett Royall is at home after a most delightful visit to the New Orleans reunion, where she participated in all the reunion games. Miss Royall had her card made out for the Mardi Gras ball of next February before she left the Crescent City, and now looks forward with much pleasure to returning to the American Paris for that most alluring of all celebrations. A number of entertainments were given in honor of the Richmond sponsors and maids by their reunion friends.

Annual Meeting.

The annual meeting of the Hollywood Memorial Association was held yesterday morning at 11 o'clock in the Second Presbyterian Church. Mrs. J. Taylor Ellison, first vice-president, presided.

Satisfactory reports from the treasurer, Mrs. James D. Crump, and the corresponding secretary, Mrs. Hugh Taylor, were read and approved.

Miss Betty Ellison, chairman of the Grounds Committee, reported that the soldiers' section in Hollywood is in good condition, the fences and headstones having been recently put in thorough repair.

Mrs. Edgar D. Taylor, who has just returned from the sessions of the Southern Confederate Memorial Association, held in New Orleans during the reunion, gave a most encouraging and interesting report of her trip, which was cordially received by the society. Mrs. Taylor's report showed that the Hollywood Association was one of the oldest in the South, and the ladies expressed themselves as much pleased with the prospect of having the other memorial associations in Richmond next year.

Miss Fannie Blufford, recording secretary, said that the fourth annual report of the association would be read by Mr. Edgar D. Taylor at the mass meeting held last evening at the Soldiers' Home. The memorial Sunday services will be held this year on Sunday evening, May 27th, in the First Presbyterian Church, the Rev. Dr. F. T. McFadden preaching the sermon. Members are requested to wear their badges, both on this occasion and on Memorial Day, which comes on May 30th.

Grief was expressed at the loss by death of Mrs. John Purcell, who was a charter member and an honorary vice-president of the association.

A letter from Mrs. Joseph Bryan, in which she tendered her resignation as president, was received with much regret. Mrs. Bryan's name has proven a tower of strength to the association, and she has made a most worthy and efficient president.

A letter from Oakwood Memorial Association was read, inviting the ladies of Hollywood to attend the annual reunion.

GENERAL SUMMARY

By RUDYARD KIPLING.

Other selections from this writer, his portrait, autograph and biographical sketch, have already been printed in this series.

WE are very slightly changed
From the semi-apes who ranged
India's prehistoric clay;
Whose drew the longest bow,
Ran his brother down, you know,
As we run men down to-day.
"Dowb," the first of all his race,
Met the Mammoth face to face
On the lake or in the cave,
Atole the steadiest canoe,
Atole the quarry others slow,
Died—and took the finest grave.

When they scratched the reindeer-bone,
Some one made the sketch his own,
Filled it from the artist—then,
Even in those early days,
Won a simply Viceroy's praise
Through the toil of other men.

Ere they hewed the Sphinx's visage,
Favoritism governed kissage,
Even as it does in this age.

Who shall doubt the secret hid
Under Cheops' pyramid
Was that the contractor did
Cheops out of several millions?
Or that Joseph's sudden rise
To Comptroller of Supplies
Was a fraud of monstrous size
On King Pharaoh's swart Civilians?

Thus, the artless songs I sing
Do not deal with anything
New or never said before.
As it was in the beginning,
Is to-day official sinning,
And shall be for evermore.

This series began in The Times-Dispatch Sunday, Oct. 11, 1903. One is published each day.

On May the sixth in St. John's Episcopal Church.

The association will have a called meeting on Tuesday morning at eleven o'clock in the Second Presbyterian Church, when officers for the ensuing year will be elected.

Miss Minnie Baughman was appointed chairman of the decoration committee, and all members are asked to secure as many flowers as possible.

Adjourned Meeting.

An adjourned meeting to complete business left unfinished by the central committee of the Association for the Preservation of Virginia Antiquities, on Tuesday last, will be held in the rooms of the Virginia Historical Society at 5 P. M. to-day. All members of the association are invited to meet with the central committee and share their interest in Jamestown matters.

Annual Sermon.

The fortieth annual sermon before the Oakwood Memorial Association will be preached on Sunday evening, May sixth, at 8 o'clock, in St. John's Episcopal Church by the rector, the Rev. R. A. Goodwin.

The various Confederate organizations and the veterans are requested to meet at the church at 7:30 o'clock to march in with the association.

The parade to Oakwood on Memorial Day, May 10th, will be in charge of the Camp, with Mr. J. L. Gordon as chief marshal, which fact is a sufficient guarantee of a successful procession. The orator for the occasion will be Governor Claude A. Swanson.

All members of Confederate associations in the city, the veterans from Lee Camp Home, and all other Confederate soldiers, are cordially invited to attend.

The Oakwood Memorial Association, Junior and Senior, will meet in St. John's school house on Monday morning, May 7th, at 10 o'clock. All members are requested to be present.

Of Unusual Interest.

Of unusual interest will be the unveiling in Richmond, on Memorial Day, May 30th, of a monument to the memory of the late Governor William Smith, of Virginia. The monument will be presented to the State, Judge James Keith making the presentation address and Governor Swanson the acceptance. The occasion will be marked by the presence of the Lee Camp of Confederate Veterans with General Theodore Garnett as chief marshal. The monument will be unveiled by Miss Eleanor Blackford Smith, daughter of Mr. William Henry Smith, of Fauquier, and the nearest relative to the late Governor.

Carnival Receipts.

The Floral Carnival, which closed Wednesday night, was most successful in every way. One of the ladies reported yesterday that, although no actual cashing up of accounts had as yet been made, the profit had been estimated at fifteen hundred dollars. It is said that on the last night at least five hundred dollars was taken in. It is hoped that the amount will clear the Woman's Christian Association of debt and will also serve to aid the efforts of those interested in the Belle Bryan Day Nursery and Free Kindergarten.

Monthly Meeting.

The regular monthly meeting of the Woman's Missionary Society of the Grace Street Baptist Church will be held Friday afternoon at 4:30 o'clock. All members are earnestly requested to be present.

Mr. Heth Lorton and Mr. William Hancock Clark, of New York, prominently associated with the Virginia branch of the Society of the Cincinnati, who have been here for several days, returned to New York last evening.

Will Never Be Lynched.

Governor Swanson has been reassured by Captain M. B. Rowe, of Company L, Fredericksburg, that no trouble will come on account of the King George assault case, and that the law will take its course with reference to the negro culprit, who is now in jail in Fredericksburg.

Captain Rowe wired the Governor yesterday that the negro will never be lynched as long as his company is in charge.

Examining Teachers.

Examinations for teachers in the public schools are in progress here, and will continue to-day and to-morrow. The white teachers are being examined at the Mechanics' Institute and the colored ones at the City Hall.

HOW TO BUILD A BODY.

One of the most important discoveries of late is the application of the right kind of food to rebuild the lost substances of the body, thrown off by the excess, nervous work of Americans. Careful investigation by experts in food and dietetics has brought out the fact that albumen, which is contained in various foods, is acted upon by phosphate of potash, not such as obtained in drug stores, but such as is found in certain parts of the field grains in most minute particles, arranged in Nature's laboratory, not man's.

The part of the grains containing phosphate of potash is used in the manufacture of Grape-Nuts food, therefore the active, nervous, pushing brain-worker can feed the body with food that goes directly to the rebuilding of the broken-down gray matter in the brain, solar plexus and nerve centres all over the body, with the result that the individual who refreshes and rebuilds the body with proper material of this sort obtains a definite result which he can feel and know of, and which is apparent to his friends.

A vigorous brain and nervous system is of the greatest importance to any business man or brain worker.

APRIL RECEIPTS AT RICHMOND OFFICE

Postal Business Larger in April of This Year Than Ever Before.

The total sales of stamps, stamped envelopes, postal cards, etc., in the Richmond postoffice in the month of April amounted to \$47,272.82. The sales for April of last year were \$37,723.84; increase, \$9,548.98—nearly 10 per cent.

Eight hundred and twenty checks in payment of rural free delivery carriers in Virginia and North Carolina were sent out by the postmaster, the total amount thus paid out being \$16,781.10.

The business of the office for the month shows a decided increase in the amount of third class matter handled, the receipts for same being \$1,656.76, against \$320.37 in April of last year. Third class matter includes all printed matter upon paper not having the nature of a notice, person, correspondence, or other words, it consists of circulars and advertising matter of merchants when filed in large lots, not less than two thousand pieces at a time. When posted in such lots merchants who have already obtained the necessary permit for the posting in money according to weight. Thus they are saved the trouble of putting a stamp on each enclosure, the postage being the same.

RESUMES ITS WORK.

McGuire's School Reopens With Simple Ceremony.

McGuire's University School was reopened for the first time since the death of its founder yesterday morning. The pupils were out in full force, and the memory of the late teacher was fittingly remembered in the opening exercises.

Mr. John L. Williams, a teacher of the late Professor McGuire, presided at the simple opening exercises. His address was deeply sympathetic with the purposes and life of the teacher whom he himself taught. He emphasized the three elements of the life of his beloved pupil and friend, declaring these to be his absolute and unselfish devotion to duty, his enthusiastic love for honorable labor, and his abhorrence for everything that was mean and unmanly.

The speaker told the pupils that no other study could be given them which would be so profitable as the study of their great teacher's life and work and character. Mr. Williams distributed among the pupils a printed memorial, which they will keep as souvenirs. These are headed with the words: "In Memoriam, John Peyton McGuire, died April 29, 1906."

WHITE PEOPLE AROUSED.

Will Oppose to Last Ditch Sale of Fulton Park to Negroes.

There will be a mass meeting of the citizens in and around Highland Springs in the Old-Fellows' Hall, Highland Springs, this evening at 8 o'clock to take some action relative to the proposed sale of Fulton Park to negroes. Dr. G. T. Collins will preside at this meeting, and it is expected that strong measures will be adopted.

The community has been thoroughly aroused at the intention of the owners of the property to sell it off to negro purchasers. They claim that the sale would be a direct violation of the contract that was made when the present landholders bought their lots from the company. They declare themselves ready to fight the matter out to the bitter end should it become necessary.

FINDS BROTHER

Pascal Arnall Gets News of Charles Arnall.

Pascal Arnall, living near Marion Hill, in Albemarle county, a little below Fulton, was informed of the whereabouts of his brother Charles, who left home mysteriously and suddenly ten or twelve years ago, presumably for the West, in a curious way. A short message a letter came to Rev. David Hepburn, pastor of the Fulton Baptist Church, asking for a letter from his church to the Baptist Church in Wiltonville, Fla. Truth is stranger than fiction, and it turned out that the letter was from Mr. Arnall's brother.

Mr. Arnall was given up as dead by his sorrowing parents, and the correspondence recently established with his brother in Henrico gave him the first tidings of the death of both his parents and two brothers.
